

“Buy Smart” Competition

Students who elect to study the Business unit “Do more with Your Dollar – Buy smart” are provided with the opportunity to participate in the *Buy Smart Competition*.

Buy Smart is a competition for all Queensland primary and high school students which will help them to learn about their consumer rights and responsibilities so that they will get the most for their money.

By entering the competition, students will also be in the running to win cash prizes for themselves and the school!

It’s easy to enter and win!

To enter, students are required to research, identify and present a consumer issue to their classmates in a creative way.

Students can choose from the many fair trading topics such as refund and warranty rights, credit management, comparing product prices, lay-by agreements and what to look out for when buying a mobile phone or car.

For more information visit the Queensland Government’s Office of Fair Trading website.
