

Craigslea Music Academy

Signature Music Program

Craigslea Music Academy

Goals of the Program

- To develop performance, composition and analytical skills through working closely with staff and industry professionals
- To listen to and experience music in a range of contemporary and traditional styles
- To try new performance options including learning a second instrument

Outcomes for Students

- Improved knowledge and skills that are vital for success as a modern musician
- Deeper knowledge and understanding of musical theory
- Improved academic results in other subject areas through the promotion of healthy study, practice habits and creative thinking

Eligibility Criteria

- Current enrolment in at least one vocal or instrumental extra-curricular ensemble
- Successful completion of entry audition
- Consistently high academic results and a willingness to go beyond their potential
