

Craigslea Music Academy

Vocal Program

As part of our Music Academy, vocal lessons are offered to students with a special interest in vocal performance.

The vocal lessons are for groups of five students for 35 minutes at a time, based on a rotational model. Several categories are offered depending on the vocal attributes of students enrolled:

- Junior soprano (male and female)
- Junior alto (male and female)
- Senior soprano
- Senior Alto/mezzo
- Senior male (tenor/ bass)

Students will learn a variety of vocal styles and pieces throughout the year and culminate in a showcase concert at the end of the year. There will also be opportunities to compete in competitions and Eisteddfods, both solo and in one of our three vocal ensembles:

- Craigslea Vocal Group
- Melodia (senior vocal group)
- Bass Line (male Vocal group)
