Dear Parents and Caregivers

School Opinion Survey – Parent/Caregiver Survey 2017

Each year, the Department of Education and Training undertakes the *School Opinion Survey* to obtain opinions about important aspects of schooling. All families, school staff and a random sample of students are invited to participate. This year's *School Opinion Survey* will be conducted from 31 July to 25 August 2017.

The survey will help our school to find out what we are doing well, and how we can improve.

All families have the opportunity to complete the *Parent/Caregiver Survey*. The survey is anonymous, and the results are not reported in ways that an individual's response can be identified by the school. I hope you will take a few minutes to complete the survey to help make this school a better place for your child(ren).

Access details for the *Parent/Caregiver Survey* are enclosed with this letter. A Quick link to access the School Opinion Survey for Parents can be found on the Craigslea website: www.craigsleashs.eq.edu.au homepage.

Later in the year, the school will receive a report outlining the results of the survey for our school. The results will help the school to evaluate and to reflect on how well the school is going, and to identify areas for future development. The survey results are also an important part of the school's annual report.

I strongly encourage you to complete the survey to help make this school an even better place.

If you have any questions or concerns about the survey, please contact Janelle Schloss (Deputy Principal) on ph. 3326 5222.

Thank you in advance for your participation in the survey.

Yours sincerely

Mark Farwell
Principal
