

## Dress Code

The Craigslea State High School Uniform Policy has been developed through consultation with the school's Parents and Citizens' Association.

The student dress code contributes to a safe and supportive teaching and learning environment through:

- ready identification of students and non-students at school
- fostering a sense of belonging
- developing mutual respect among students.

Craigslea State High School has two distinct uniforms - the **formal uniform** and **sport uniform**.

**Years 7 to 10:** The sport uniform may be worn to and from school only on designated sport days. When students are going to participate in practical activities for Health and Physical Education, Drama or Dance, students will be advised by their teachers and they will be permitted to wear their sport uniform on that day.

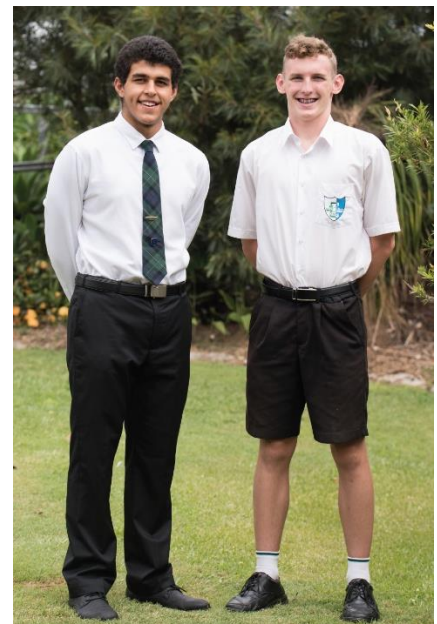

**Years 11 and 12:** The formal uniform is to be worn **every day**. HPE, Drama and Dance students are required to change for lessons.

Year 12 students have the opportunity to purchase a senior jersey. These senior jerseys are designed as a memento of the students' senior year and can be worn to school during Terms 2, 3 and only on the last day of Term 4. All other uniform expectations remain in place.

The **formal uniform** is to be worn by all students on **all** school excursions unless otherwise stipulated in writing.

## Inclusive Options

Craigslea aims to provide flexibility in accommodating individual student needs regarding the wearing of the school uniform. There are many personal circumstances which mean that a student may require variations to the school uniform and the school works with parents and students to manage these variations on a case-by-case basis, including for students who have gender identity requirements.

## Footwear Formal Uniform

It is important that students wear protective and appropriate footwear. Students must wear black hard leather lace up college style polished shoes (the only acceptable styles are pictured below).

## Sport Uniform

Our school dress code stipulates that the sport uniform be worn with appropriate runners, joggers or cross trainers, predominantly black or predominantly white in colour with black or white laces. High ankle basketball style boots, volleys, slippers, high tops or any shoes of canvas material are not permitted. In accordance with health and safety regulations and given that sport shoes are also worn in the classroom and school grounds, it is important that all members of our community are aware of our dress code. Please keep in mind that choosing the correct sport shoes for your student will enhance their physical activity and provide sound protection for their feet and body.
