Program Overview

Students in this program will study the P-10 Australian Curriculum for The Arts (Music) and will experience learning beyond this curriculum framework.

It is expected that students cover core content for each term; however, this class will do so at a faster pace, leaving time for development of composition, performance and developing industry links.

Pathways

Students who continue in the Signature Music Program are on a pathway towards Senior Music and Senior Music Extension.

Course Requirements

Students must be enrolled in either Instrumental Music, Vocal Music or private tuition and are required to be in one of our Instrumental or Vocal ensembles.

Students who undergo private tuition can arrange for ensemble membership with Mrs Jennifer Pedder.

Rationale

Signature Music is an extension program with a strong focus on performance. This program is for students in Years 7 to 10 who demonstrate exceptional instrumental and/or vocal talent, and will study the program for the full year as their Arts elective.

Throughout the year, students will study the elements of Drama, Dance and Visual Arts.

Course Outline

There will be a rotation of the following topics:

- Theory: A strong link to AMEB Grade One and Two Theory and Musicianship
- Performance: Solos, Duets, Trios and Small Ensemble work
- Making Music: Arranging and Composing
- Workshops with industry professionals
