

## Teacher Commitment

### Consistency

- In setting up the environment for learning
- In classroom procedures and bookwork standards
- In implementing the school's Pedagogical Framework-CITW
- In setting up homework that supports academic learning

### Compassion

- Getting to know each student and developing a positive relationship with them
- Referrals to Student Support Services including Guidance Officer, Chaplain and School Nurse

### Communication

- Regular emails to parents/caregivers providing curriculum and operational updates
- Timely and appropriate feedback to students
- Fortnightly newsletters

## Parent Involvement

### Communication

- Talk about school and learning
- Use online communication
- Know who to contact and how (Student planner)
- Follow our Facebook and Instagram pages

### Engagement

- Assist with homework
- Discuss learning goals and results
- Attend school events e.g. Information evenings, parent-teacher meetings and celebrations/showcases
- Join our P&C committee or Instrumental Music/Volleyball sub-committees

### Learning

- Encourage participation in tutoring opportunities such as Homework Club (Monday) and Maths tutoring (Thursday)
- Create an environment at home to support learning and study
- Know when assessment is due

### Parenting

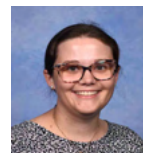

- Make sure your student is prepared for the day with all the required equipment and a positive attitude
- Encourage your student's involvement in events and activities
- Help to build resilience as a life-long attribute
